Friday 24th January 2019

A Message from our Executive Principal:

We have certainly had a busy week here at Bramley. Our pupils and staff were over the moon on Tuesday to receive brand new tables in our main building. This has made a great improvement to pupils learning experiences. It has certainly been a bitterly cold week, please can I encourage all children to come to school with a warm winter coat.

Mark Wilson, CEO visited school on Tuesday and was overwhelmed at the huge improvements we have made. He has asked to pass on his warmest congratulations to the whole Bramley community.

Have a wonderful weekend.

Stranger Danger

As a school and community it is helpful to work together to keep our children safe. It is important that children know that strangers can be dangerous. By explaining the following rules this could help any possible encounters:

Basic Stranger Danger rules include:

- never go anywhere with a stranger
 - never accept gifts or sweets from a stranger
 - never get in a car with a stranger
 - never go off on your own without telling your parents or a trusted adult
 - tell your child it is okay to break the rules if they are in danger
 - encourage your child to YELL, KICK, SCREAM, LIE or RUN AWAY, if they feel they are in danger
 - give your child a code word or sign that only you and your child (and another parent/carer) know. They can use it when they feel they are in danger but don't want other people to know
- tell your child to stay with their friends and not to go e.g. to the

Stay On Green

At Bramley Park Academy, our behaviour system is called **Stay on Green**. We use colours to help children understand the choices they are making, each colour representing a clearly defined set of behaviours.

Every class has a **Stay on Green** display. At the start of each session (morning and afternoon) all children begin with their name on the **Green** section. **Green** means children are following the Golden Rules: following instructions, keeping hands, feet and objects to themselves and treating everyone with kindness, care and respect. When children follow the Golden Rules they **Stay on Green**. If children make poor or inappropriate behaviour choices they move to blue, yellow, or even red. If they consistently make positive choices about their behaviour they may move to bronze, silver or gold.

Stay On Green

10 or more on Gold during the half term = prize out of school!!

10 or more on Silver during the half term = prize in school!!
