

Bramley Park Academy Newsletter

Friday 24th January 2020

This week we had a visit from a Senior Lecturer from Leeds Trinity University. After her visit she sent over some lovely feedback about the school and our wonderful teacher Miss Spivey.

'I wanted to say how lovely your school is. There is a really positive feeling in the school and it feels like a very supportive place to be. The students both told me how happy they are and how well supported they feel. They will both be very sad to leave at the end of their placement. Miss Spivey is a very passionate and dedicated mentor whose enthusiasm is contagious. She is doing a brilliant job with the students and I found her extremely easy to work with and excellent in the role. Not all mentors are like that. I had a lovely day. Thanks to everyone at Bramley. I will look forward to returning soon.' - D.Mann

Our Director of Learning at Wellsprings C.Jessup had some very lovely words to say as well.

'Can I echo the congratulations to all. Too often we are told that there is crisis in recruitment and retention in our school system. If only everyone had the chance to flourish and bloom in a caring, compassionate school such as Bramley and with such dedicated and skilled colleagues such as Miss Spivey'

After School Clubs

This week we had our evacuation training on Tuesday and the whole school had to walk to our designated muster point at Leeds West Academy. We would just like to say well done to all the children here at BPA for their fantastic behaviour during this training. They listened and walked brilliantly there and back. The staff at Leeds West were very impressed and commented on how well behaved the children were.

How to report absences: You must inform the school of your child's absence before school starts every day that your child is off.

Collecting children.

Children can only be collected by a named contact that has been provided by the parent. If for any reason your child is being collected by someone the staff are not familiar with you must inform the school in advance.

Friday 7th February 2020. School closed for staff training.

The main entrance is not a cut through to parents. Please can we ask that you walk round the building. It becomes a safeguarding risk when external doors are open.
