I hope this week's edition of the newsletter finds you safe and well. I think we have all been thankful of the beautiful weather this week! We continue to live in unsettled times, which I know is even more unsettling with the constant conflicting reports in the media. I hope you find the information you are receiving from school and the trust supportive and urge any parent/carers to take up our offer of counselling as this will support you through these very difficult times. At our Governing Body meeting this week our members recognised the tremendous work of our staff team over the past half term and I can certainly echo this. Next week is quite unbelievably the half term holiday and therefore I have urged my team to take a break from google classroom and welfare calls. I am sure you will agree they deserve a rest. Please do not hesitate to contact us via the enquiries email if you need support - we will be keeping a close eye on this over the break. Take care everyone and stay safe

Thank you for all the lovely feedback we have been receiving from parents. It truly means a lot.

"From us parents, a massive thank you! We deeply appreciate all your hard work, guidance and all the time put into providing resources and tools for home learning"

Take a look at just some of the fantastic pictures of work that our pupils have submitted this week.

Bramley Park Academy has provided continuous support to pupils, parents, carers and the local community during the Coronavirus Pandemic, to date we have made a staggering 2,970 phone calls and completed 64 home visits to keep in touch with pupils and families offering advice around mental health and well being and signposting to outside agencies regarding free school meals, benefits and food banks. The support has also involved delivering supplies such as food parcels, supermarket vouchers and welfare checks. In addition to online learning resources and various activities to keep our learners busy and motivated. Those of you who are entitled to FSM please note that Bramley Park with Wellspring Academy Trust have ensured that you will receive a voucher over the May half term break. Please be mindful this hasn't come from the Government.

Please ensure that you all keep safe and well. Miss you all, so much!

Kind regards,

Lynn Dove
