

22nd May 2020

Dear Parent/Carer

As you may be aware we were expecting an update regarding the opening of schools at the daily Downing Street briefing regarding the track and trace system, 5 tests being met and the scientific information yesterday. Unfortunately this information has not been shared and therefore we do not have a definitive regarding schools opening. We are now awaiting an update on 28th May - hopefully before.

I am therefore unable to give any further information at this time and urge parents to continue to check emails for further instruction over half term.

However please note, due to guidance issued on 19th May from Leeds City Council, the earliest possible date Bramley Park Academy will hope to reopen due to risk assessments for Year6/Year1/Reception/Nursery will be the 8th June. We are proposing this will be a staggered intake starting with Year 6 initially. Please note this will be an **extremely careful reintegration** of pupils based on daily risk assessments and further guidance regarding testing, data and the science available. Please note the plans may change or be adapted at any time due to this to ensure the safety of all pupils and staff.

I will update you as soon as I possibly can regarding detailed plans.

Once again thank you for your continued support and patience. Please remain safe and vigilant.

Carrie Green
Executive Principal
