

Bramley Park Academy Newsletter

Thursday 7th May 2020

I hope this newsletter finds everyone safe and well. We continue to live in unprecedented times and I would like to extend my warmest thanks to the Bramley community for your support. My staff have continued to amaze and humble me in their dedication to your children and the magnificent provision they are providing every single day via google classroom. They truly are an inspiration as are my amazing pastoral, office and estates team, who as always continue to care, nurture and ensure our school is operating like clock work.

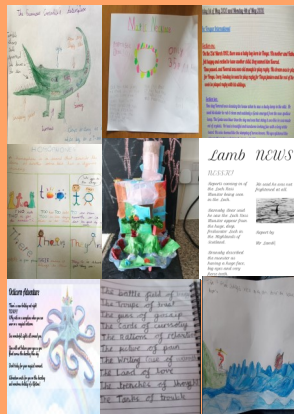

A huge congratulation and well done to all of our pupils - I am truly gobsmacked everyday with the quality of work being produced, just amazing! You will see in the attached letter how we are beginning to plan moving forwards. Please be assured that as soon as I receive the necessary information/briefing from the government we will safely plan accordingly. Please do continue to keep in touch and encourage your young person to access the wealth of content on our google classroom, which also allows them to interact with their known grown up and friends. In the meantime I would urge everyone to continue to follow all government guidelines re social distancing and protecting your family.

Please take care and stay safe.
Miss C. Green

A big shout out to staff for producing a fabulous learning platform for the children to access at home.

A big thank you to the children for the fantastic work they have been producing. All members of staff have been blown away with the quality of work that is being produced and uploaded. (see pictures below)

We have worked really hard to ensure that everyone can access the online learning even providing devices where possible. We encourage every child to log on to google classrooms. If you have any queries please email: enquiries@bramleyparkacademy.co.uk

Be Kind: This is certainly being shown by the Bramley community. Take a look at just a couple of the lovely comments we have received:

'I saw that you have been working hard to run google classroom, we are grateful for your endless involvement in our children's education'

'We would like to pass our thanks to all the staff, the google classroom learning has been brilliant. It is a difficult time for everyone and the support from school has been fantastic'

Last week on Twitter we received a very special thank you from Bramley Baths.

'A big THANK YOU to our friends @bramley_park Academy for continuing to pay for swimming lesson time while we're closed—support like this is financially invaluable to help see us through these special times #thankyou'

Hello everyone at BPA, my name is Hamish and I will be your new therapy dog. I am a Cavapoo, which is a mixed breed of King Charles Spaniel and Poodle. We are known for being outgoing, playful and curious. I am also known for giving the best cuddles.....just ask Miss Green. Until we meet (which I hope is soon), why not do some research on how to look after me and email your ideas to your class teacher.

For all you parents out there, I have my own twitter account, why not give me a follow [@Bpa_Hamish](https://twitter.com/Bpa_Hamish)

Reminder: PE videos have been uploaded onto google classroom. Why not give them a try and upload your videos. Mr Toulson and Miss James would love to see them.
