

The Bramley Pup

3/6/2020

To all of my amazing friends at BPA,

I hope everyone enjoyed the beautiful sunshine last week. It was a little too warm for a fluffy puppy like me - I spent most of my week in the shade underneath Miss Green's sun lounger. Dylan tried to entice me into the paddling pool but I wasn't so keen! I have been going on a few adventures into next doors garden, Miss Green has been a little worried so she keeps me close now on an extendable lead.

I was so excited to be back at school this week and see my best friend Miss Marnick - she gives me the best cuddles. The key worker children have really enjoyed taking me for walks around the school grounds too - I have a new tartan harness, which makes me walk so much better as I am not pulling on my lead. Mrs Sarchett thinks I look very handsome, do you agree?

Wow - how the weather has changed this week. I have been caught in the rain a lot today and Miss Green has had to towel dry me whilst she works on her chrome book. I think I make a good helper!

I have been continuing my training to support you during reading sessions. I love sitting on a beanbag - I can't wait to try out the ones in the school library. I know Miss Spivey will have lots of ideas for texts I can help you with.

Next week is going to be super exciting as I will get to meet some of our wonderful Year 6 pupils, I know you will all be amazed at just how much I have grown. I am 15 weeks old today!

Everyday I am walking a little further - we have enjoyed lots of great walks at Oakwell Hall this past week.

Where have you been for a walk? I can't wait to hear about it. I have developed my "big boy bark" this week also. I like to use this when cats are in the garden or someone I do not recognise. I think I make a great guard dog.

Your work on google classroom continues to be amazing - well done everyone, I am super proud of you all. I am keeping my paws crossed that I can see you all very soon.

I love you all!

Hamish
