

Bramley Park Academy Newsletter

Friday 3rd July 2020

I hope the newsletter continues to find everyone safe and healthy.

We are continuing to be exceptionally busy in school: writing reports, preparing for September re-opening and planning for our wonderful new Resource Provision. Check out our plans for the outside area, which all of our pupils will benefit from.

This weekend, everyone should receive the final year academic reports for your child. Our staff have (once again) worked exceptionally hard to produce these, please do make a telephone appointment via enquiries@bramleyparkacademy.co.uk with your class teacher before the end of the academic year.

Can I please encourage everyone to remain vigilant this weekend as hospitality business' begin to open, this will ensure we all remain safe and healthy.

Take care everyone.

Is your child starting school in either Nursery or Reception? If so, check out our brand new Starting School transition page on our website. This includes a virtual tour of our EYFS classroom as well as key information to make your child's start to school as smooth as possible.

<https://sites.google.com/bramleyparkacademy.co.uk/new-to-eyfs/home>

You will have also had a very special visitor delivered to your house this week. Your very own Bramley Park Academy bear. His job is to make sure your child is excited to join school and to keep them talking about school life/ routines.

Exciting times ahead for BPA.....Take a look at what our new outdoor resource provision will look like.

Bramley Park Academy Virtual Sports Day 2020

10am

7th July!

West Yorkshire Sport is presenting its first ever Virtual School Games Sports Day and this year Bramley Park Academy is going to take part!

You will have until 10am on Wednesday 8 July to submit your scores online. The link will be sent nearer the time for submitting these.

There will be a performance, warm-up, competitions and even some special guests!

Click this link to go to the Virtual Sports Day on YouTube!

Tag @bramley_park on Twitter with your pictures/videos!

We are taking part both in school and at home!

We have received confirmation from the DfE that schools will not be open for any pupils (including vulnerable children and children of critical workers) over the summer holidays.

This means school will be closed from 2:50pm on 17th July 2020 until Monday 7th September 2020.

Further information about school re-opening in September will follow.

Home Education

On 24th June, DfE updated its guidance on online education resources for home learning. It now includes a document called Home Education: tips for parents. It is not in any depth but covers:

- Keep it simple;
- Find your home education routines;
- Look for the positives;
- Encourage planning and reflection;
- Support your child to manage their own education;
- Encourage your child to talk about what they are studying;
- Children with SEND.

Parents may wish to Google this document for more guidance.

Keeping under 5's safe online

- Enjoy going online together
- Establish clear boundaries
- Supervise your child's use
- Consider the quality and quantity of online activities
- Make use of parental tools
- Start the conversation early
- Choose age appropriate apps and games
- Know where to report

Please look at Coronavirus (Covid 19): keeping children safe online
