Friday 13th November

We Need Your Help

Well what a busy week we have had. It has filled me with great pride with regards to our remembrance service and activities in school. This has certainly continued today with our wonderful virtual Children in Need. Thank you so much for everyone's contributions to those amazing events.

If you have a little one ready for school or equally know a friend who has a child born between Sept 2016 and August 2017, why not ensure you secure your place here at our wonderful school. As you know we have a vast amount to offer not only in terms of a first class education but certainly our response to the global pandemic, nurture care and ultimately kindness. Please direct any potential school place admissions to our school office who will be happy to support. Once again can I remind everyone that we are subject to a national lockdown and you should not be mixing with any other household unless it is part of a support bubble as a single person. Again please be respectful of social distancing on the KS1 playground in particular and please can I encourage everyone, for all stakeholders safety, to wear a face mask whilst on the school site. I hope everyone can attempt to have some kind of relaxing and restful weekend.

Space Rangers

We are in the process of setting up a PTA group called 'Space Rangers'. If you are interested in becoming a member, or have any great ideas about fundraising, please contact the school office via email.

Due to the National second lockdown, Bramley Baths has closed, therefore Year 4 will not be going swimming until further notice.

Positive Comments

Mr Rixon (our ukulele teacher) complimented BPA on how well organised our school is compared to others he visits.

Admissions for reception places 2020-2021 are now open. Click the link below to start the process.
<https://www.leeds.gov.uk/schools-and-education/school-admissions/apply-for-a-primary-school>

Reminder: Please do not bring your dogs onto the school grounds. Hamish is our therapy dog and we have full insurance and risk assessments for him along with certification of immunisations.

PE lessons are outdoors. Please make sure your child has trainers on his/her PE days.

Parking

Please can I ask parent/carers to make sure they are parking appropriately outside of school. We have had complaints regarding people parking on the grass, over crossings and blocking driveways.

This is a road traffic offence and can carry an immediate £60 fixed penalty fine.

Star of the Week:

Hungry Caterpillar: Joey
Smartest Giants: Nya
Rainbow Fishes: Erika
Flat Stanley's: Rhiley
The BFG's: Sarah
The Creakers: Demi
Billionaire Boy: Andrew and Mia
