Friday 20th November 2020

I have been thoroughly amazed by the inspirational work in school this week for Anti-bullying. Our “do something kind” approach has had marvellous impact and feedback in every classroom—check out our twitter page @bramley_park for more feedback. On Wednesday we had one of the most amazing experiences—virtual singing throughout the school. This certainly uplifted everyone and something we will be continuing over the next few weeks. It was very strange singing and playing to myself in the hall however, but everyone's smiling faces kept me going. As we are now moving into week 3 of the second national lockdown I would urge everyone to follow the very clear government rules/laws. **Even though it isn't the law to wear a face mask in outside areas it is essential to stay 2m apart.** We need everyone's support in school as this is the only way the country will move forward - pulling together and doing what we are asked of for the greater good! Try and have a relaxing weekend.

Reminder: Please make sure you are wearing a face mask and adhering to the 2m social distancing guidelines when you are on the school grounds.

Please Wear a Face Mask

Help Stop the Spread

Keep 2m

Be socially safe

Can I ask that parent/carers please refrain from using foul language on and around the school grounds.

We raised **£257.00**

Our kindness tree is looking fabulous... Look how well it has blossomed as each year group add their kindness hand prints.

You did it! Congratulations

Its getting cold now and with having to ventilate the classrooms, it might be a good time for children to start wearing vests/thermals under their uniform

In school we now have our very own knowledge organisers for every topic that will be covered this year. This week your child will be coming home with this half term's topic knowledge organiser. For example, in year 5 your child will be coming home with a sheet all about the Vikings! This is a chance for you to explore your child's topic with them further.

Year 6 launched the new software for Now Press Play this week. They engaged in an amazing, immersive experience to mark Anti-bullying week. They had a fabulous time and were extremely mature and enthusiastic. Well done

Children have been creating their own Christmas designs in school. These will be sent out shortly with an order form for parents/carers to order Christmas cards, tea towels or mugs. Please can these orders be returned to school by Wednesday 3rd December with correct payment in cash. Unfortunately, we are on a tight deadline for placing orders so any orders received after this date will not be accepted.
