The Bagheeras: Abdallah

On Thursday, Year 6 held their very own Evacuation Day. With the help of our brand new resource - Now Press Play, we were able to combine our learning with diary entries in English, our class novel - Goodnight Mr Tom and our Topic work to completely immerse ourselves and become part of an interactive story about Evacuation. many of the children and staff get dressed up for the day as well to really add to the experience. A great day was had by all.

Attendance and Punctuality at Bramley Park Academy

The promotion of good attendance and punctuality are priorities at Bramley Park Academy. Children are expected to attend school every day unless they are ill. Any absence should be communicated to the school office on the first day of non-attendance or by using the absence line ringing 0113 2564888 or ask to speak to Mrs. Dove or Mrs. Willetts. You can even email the enquiries line.

Regular attendance impacts on children's achievement, their inclusion in friendship groups and general confidence and therefore it is imperative that pupils attend school every day. Especially during these unprecedented times. Punctuality is also very important as children who arrive late for lessons, on a regular basis, miss key learning and disrupt other pupils and teaching staff. As parts of the lesson may have to be repeated to enable your child / children to catch up.

Let's work together to get the best possible outcomes for your children!

Good Attendance + Good Punctuality = Good Attainment
