

BPA Newsletter 04.12.2020

Christmas is certainly underway in school this week and all members of the team are striving to make this festive period as magical as possible for our wonderful pupils. Hamish is sending everyone some well needed Christmas Joy!

Please ensure you are staying safe and adhering to social distancing as COVID19 is still present in our community and want to ensure this does not result in any isolation periods over the festive break. Have a restful weekend.

We are receiving ongoing complaints about parent/carers blocking residents driveways. Our local PCSO has been notified and will be making checks around school. Please make sure you are parking in a suitable place. Failure to do so may result in a £60 penalty fine.
