

# BPA Newsletter 08.01.2021

Happy new year to all our families - what extraordinary times we find ourselves in again.

Many thanks for all your support this week as we all found ourselves in upheaval on Monday night. Please can I recognize my amazing staff team who have worked tirelessly this week to ensure our google classroom and provision is up and running for our wonderful pupils. Please find guidance attached as to the requirements of home learning times and ensure our young people are getting adequate breaks. We are hoping to have a clear decision on allocation of FSM vouchers next week and we will communicate asap. Please do get in touch if you need support or help in the meantime.

We can also apply for support with internet connection to the DFE - please can I urge you all to complete the questionnaire so we can access this funding for you. Also, please do let us know if you require a device for your household as we can help.

Please remember the very clear message for our current lockdown - **Stay home and stay safe**. Hopefully, we will see you all again soon but remember our enquiries line is open if you require any support at all.

## Remote Education

Government recommended time spent at home accessing remote learning.

Keystage 1: 3 hours a day on average, less for younger children.

Keystage 2: 4 hours a day.
