

A message from Miss Green

I am delighted to be able to be welcoming our whole school community back from Monday. Our whole staff team have been working tirelessly throughout this time to ensure our environments are ready and prepared. We know this may be a worrying time for some pupils and families. Please do not worry - the team have activities ready to support all in their transition back into school including counselling where appropriate for some youngsters in the summer term.

We are delighted to be welcoming Kelly Bucknell as our Dance coach for the summer term to promote active lifestyles for all of our young people.

I look forward to seeing you all next week.

Emotional Well being of our wonderful pupils.

We very much anticipate that the children will be feeling a variety of mixed emotions. Some children will be very excited about returning whilst other children may be feeling anxious or worried about their return. Whatever the case may be, we would like to tell you a little about our first days back and hope that by sharing some of our ideas and plan for their return, that the children are able to feel calm and maybe even excited about their first day back with us.

We would like to do something where we get to know everyone again, spend time together whilst enjoying learning and each other's company. Our initial focus will be on well-being and helping the children feel safe and settled again. Every class has a designated quiet area, where children can relax and read a book

We cannot wait to see you all on Monday!

Mrs Dove and Mrs Willetts.
