

Dear Parent/Carer,

We have taken some evaluation after the first week back regarding start/finish times. Unfortunately due to some parents/carers not adhering to social distancing and timings we will have to review our approach.

I need to urge everyone to follow these very clear guidelines and adhere to social distancing - including supervising your children at all times and only one adult to collect. The play equipment should not be utilised after school times.

Everyone must walk in a single file manner and not overtake on the grass or staircase. **Please be mindful the staircase should only be used by one person at a time** -this must be adhered to.

Please can I strongly encourage all parent/carers to wear a face covering and not use the drop off/collection time as a social event. You must collect your child and leave the site immediately.

May I take this opportunity to thank all those parents/carers who have adhered to the guidelines and thank you for your continued support.

We will continue to evaluate this and if required we will have to revert fully to our original plan.

The new times will commence on Monday 15th March 2021.
