

It has been thoroughly heart-warming week conducting learning walks around school (socially distanced) observing high class science learning and fun in each and every classroom. Pupils learning journeys exemplify enjoyment and real knowledge and skill—something the whole school community should be proud of.

I take this opportunity to draw everyone's attention to our previously distributed Parental Code of Conduct. It is imperative that everyone follows this. We expect our school community to respect our school ethos by setting a good example of their own behaviour both on school premises and when interacting with staff. I do hope everyone will refresh their understanding so that we can all continue to work positively together in these continuing challenging times. Have a great weekend.

Star of the Week

Gruffalos: Emily
 Hungry Caterpillars: Skylah
 Smartest Giants: Millie

 Hobbits: Mia
 Borrowers: Luke
 Cheshire Cats: Summer
 OOTP: Karina
 Private Peaceful: Zach
 Kensuke: Callum
 Bagheeras: Lily
 Launchpad: TJ

Staff: Bekki Waring and Emily Wade

We are aware that several local schools to BPA have recently had to close bubbles due to Covid cases. Please can we stress the importance of following covid guidelines carefully and keeping up to date on the latest government updates.

We are having an American Diner themed lunch attached on Thursday 20th May and will be offering all children a lunch free of charge. Please notify the office if you would prefer your child to bring a packed lunch.

While restrictions are gradually being lifted throughout the country, we are still in the midst of a pandemic, so please can we ask for people not to come into the school office or approach staff. All enquiries must be emailed through to enquiries@bramleyparkacademy.co.uk

We would like to ask parent/carers to encourage your child/ren to read daily. It could be a couple of pages, a full book, or a comic strip, every little thing helps. Just take a look below at the list of benefits that come from reading regularly.

National Numeracy Day Wednesday 19th May 2021

Theme: The Race into Space:
Come to school dressed in a mathematical or spaced themed outfit.

- Strengthens writing
- Improves memory and focus
- Enhances imagination

For more information please contact:
 David or Andrew
david.school@leeds.gov.uk or andrew.derra@leeds.gov.uk
 Tel. (0113) 378 5071

Dairy Dates:

Monday 17th and Tuesday 18th: Virtual parents evening

Wednesday 19th May: National Numeracy Day

Friday 21st May: Non uniform day - bring £1 and wear non uniform. All money raised will be spent on resources for the child.

Friday 21st May: School closes for 2 weeks.

Monday 7th June: School reopens for Summer term 2

Following government guidelines a negative result from a PCR test (a test that is sent to a lab and is bookable via the NHS website), must be received before your child can return to school. A lateral flow test result is not sufficient.

The main symptoms of Covid are:

- A high temperature
- A new, continuous cough—this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- A loss or change to sense of smell or taste—this means they cannot smell or taste anything, or things smell or taste different to normal
