

Well done to everyone for much better attendance this week 97.9% and very little late marks. It is amazing to see everyone in school fully enjoying our wonderful activities.

THIS IS PHENOMENAL!!! Well done everyone.

We are exceptionally lucky to have Rebecca Flynn, who is a highly experienced counsellor commence working with BPA. Rebecca has been appointed by the Trust and is bringing exceptional expertise to our pupils and staff. This offer has been extended out through our Cluster work including Art therapy, Music therapy and other individual sessions.

Please do remember to send your children in coats as we are still experiencing some very chilly weather. Enjoy the bank holiday everyone.

Academic Calendar

Reminder to parents we break up for our school inset days and the May half term holiday on Friday 21st May 2021 and return to school Monday 7th June 2021. We are hoping to offer a holiday club the first week to the children that were previously identified. If you would like further information please contact Mrs Willetts.

Attached to this newsletter are the academic calendars for this year and 2021-22.

Punctuality

Well done to those pupils who consistently arrive on time to school and to those pupils that have made a massive improvement however we still have pupils arriving late every day

When pupils arrive late, they miss out on essential instructions given at the beginning of the lesson. This can significantly reduce achievement, regardless of academic ability. If a child arrives ten minutes late every day this adds up to 5-6 days lost learning time during the academic year.

Please encourage children to be punctual.
