

Welcome back to each and every person in our wonderful BPA community. It has been thoroughly heart-warming this week to observe just how happy all the pupils and staff are interacting with each other. The dining room has been a buzz of conversation and we are looking forward to welcoming assemblies back next week. Please find attached a letter from Mark Wilson, CEO. As he states we have much to look forward to this year but may still face challenges as the year progresses. Remember we are always here to help - just contact the main school office. Please can parents make sure to leave the playground as soon as their child has entered school, so that we do not have large groups congregating in the playground. Have a great weekend.

### Year 6

Tremendous Turing did an amazing job this week conquering Mr Wingfield's 'Great Ice Cube Challenge'. Some brilliant scientific vocabulary and explanations used by the children.

**Don't the children look wonderful in their brand new school uniform.**

We have provided a free school uniform every year since 2018 and we hope this is something we can continue to do. However we must point out that if your child loses an item of uniform, or you need replacements, spares etc these must be purchased by the parent at the uniform shop (details below).

10 September 2021

Dear Parent,

**Welcome back to the new school year.** I wanted to write at the outset of the year ahead to set out our principles and priorities and to describe some of the recent background work that we have been doing in school and throughout the Trust.

The Wellspring Academy Trust is a charity that manages a community of twenty-nine schools that includes Bramley Park Academy. We are acutely conscious of the challenges that the COVID-19 period has presented for everyone. Throughout it we have aimed to support our schools and, in so doing, the communities they serve. We are entering yet another uncertain phase of the pandemic and will endeavour to do everything possible to maintain continuity and safety. We have benefitted enormously from your support and may continue to require it in the weeks and months to come. School leaders will keep you as fully informed of developments as is absolutely possible. Our aim together is to achieve and maintain learning continuity.

To this end, the Trust has invested some £4.5m in its buildings and grounds this summer. Bramley Park Academy itself has benefitted from investment in new flooring, decorating and painting, flooring works, new maglocks, new doors and new wall partitions. This very substantial investment gives a clear indication to you of our commitment to continually improving the quality of facilities available to your child in school and to keeping our buildings safe, warm, welcoming, water-tight and fit for their purpose. A dedicated Trust team of expert professionals has led this crucial work. It is one of the many benefits the school gains from working together in partnership with a community of others in trust.

I sincerely hope that this year is a far more settled and predictable one than we have become used to in recent times. Your school, supported by the Trust, is doing everything that it can to ensure continuous, safe and high-quality provision every day. Some matters are inevitably outside of their – and the Trust's – control. We will always aim to mitigate the impact, whatever the circumstances. Please continue to support your school and community in every way that you can.

With every good wish,

Mark Wilson  
Chief Executive Officer, Wellspring Academy Trust
