

What a fabulous week we have had....Hywell Roberts from Create, Learn , Inspire was in school to work alongside our pupils and staff to ignite their thinking and learning re our curriculum through storytelling. His work has certainly inspired everyone and all pupils who worked with him were amazed and enthralled, a truly marvellous event. It has been wonderful to see so many clubs up and running again - please do sign your child up to these events as children gain so many new skills being part of something a little different. The school photographer will be in school on Monday so let's make sure everyone is super smart so that we have some wonderful pictures to share. Have a great weekend everyone.
