Today in our English lesson, we went to our school's resource provision to the sensory room. We looked at different planets such as Earth and Mars. We could also see the full solar system and learnt the order by tapping the walls. We started to learn about personification and we started to describe planets as if they were humans.

Year 6 have this week been learning to partition numbers in different ways using an edible abacus made from a chocolate mini roll and Cheerio's. Really fun and great learning too. Well done Year 6 x

Please can you ensure your child is reading at home as much as possible and their Reading Record book is in school each day. It will really help their fluency and comprehension. Thank you for your continued support with promoting reading.

Year 5 residential to Lineham farm.

Reminder: The £10 deposit is due by 8th October via ParentPay.

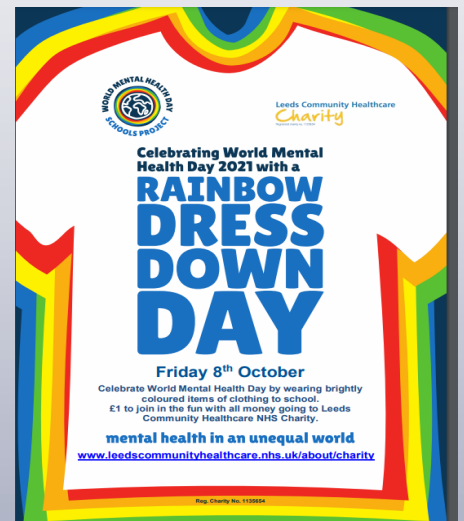

What a fantastic first session of our parent and toddler group Astro-Tots. Spread the word and come join in the fun, every Wednesday (term time only) 9:15 till 10:45. You can book your place by calling 0113 256 4888.

We have introduced Attendance and Punctuality incentives for children who consistently attend school and arrive on time. There will also be incentives for pupils who have made a significant improvement with their attendance and punctuality over time.

These incentives may include:

- Argos Vouchers
- Smyths Vouchers
- Family swimming pass
- Cinema tickets
- Hampers
- Classroom incentives, i.e. Milkshake Monday, waffle Wednesday etc

We are still following the government guidelines regarding testing. If your child has one of the below symptoms, please do not send them into school and arrange for a PCR test immediately. If your child tests positive they must isolate for 10 days. If your child tests negative and does not have any symptoms, please send them to school as normal.

Symptoms of Covid: High Temperature, a new, continuous cough or loss or change to your sense of taste or smell.

These are exciting times for Bramley Park academy! Like any school or academy, having committed Governing Body members is extremely important.

Our Governing Body (GB) has a vacancy for Parents/Carers, who we know can bring a particularly valuable contribution to the GB. The three key roles of a GB in any school/academy are to:

- ensure that it has a clear vision, ethos, and strategic direction
- oversee the financial performance of the school/academy
- monitor the educational performance of the school/academy.

We would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate
- a willingness to listen and make informed judgements
- the ability to work well with others
- a child or children currently attending the school.

If you match the above description, you may be the very person to become a Governor at Bramley Park Academy. Everyone has something to offer, and we want people from as many backgrounds and with as wide a range of interests as possible.

We can offer in return

- a chance to develop skills in strategic management
- the opportunity to work with our team of governors and staff in improving our School
- a sense of achievement in making a difference to our School
- the pleasure of helping students reach their potential

There will be five meetings per year, generally held outside school hours, usually starting late afternoon. Meetings are held either in person at Bramley or virtually using Google meets. Travelling expenses are available.

Are you interested in finding out more? If so, please contact Louise Bowman, Clerk to the LGB. Louise is contactable on 07729 105871 or by email (l.bowman@wellspringacademies.org.uk). If you want to apply Louise will talk you through the application process, which is very straightforward.

Why not give it a go?
