*'I have been meaning to email you regarding the excellent practice I saw from the class teacher when I completed my observation of ***** last week. It was wonderful to see someone have a genuine interest and empathy for the needs of the children in her care. I loved the way she conducted her sessions, being very supportive of the children and encouraging them to try. The atmosphere in the class was wonderful and I could have happily stayed all day. The children obviously have a fantastic role model in her as they too were polite and well-mannered with me as a visitor and each other.*

I loved being in there and showed me how much I do miss being back in the classroom!'

*Many thanks
Kind Regards,
Cindy*
