This week we were delighted to welcome Year 1 and Year 6 back into school. After a week of remote learning, it was wonderful to see them all again in person and engage in some really effective face to face learning. Many thanks to all parents for your continued support during these difficult times: your patience and understanding is greatly appreciated.

Mrs Dove has also been working hard this week working through some of our attendance data in school. It is vitally important that your child attends school every day and on time so that they have the best possible opportunity to make progress. Once again, your support with this is greatly appreciated. Have a wonderful weekend and we look forward to seeing everyone next week for some more magnificent learning at BPA.
