There seems to have been a running theme this week at BPA where we have been learning all about other people and how their lives are different to ours. Year 1 had a superb time on their trip to a local Mosque where they learnt all about the traditions and practices of Islam They all had a wonderful time and represented the school beautifully as I knew they would. This was followed up with our #westandwithukraine day on Thursday and Comic Relief on Friday. There were some amazing discussions and learning taking place in school not only around how we can continue to support others during these very difficult times for them, but also recognising just how fortunate we all are . A huge thank you to all parents/carers who contributed so generously to these worthwhile causes.

Coffee & a Chat

Every Wednesday morning, starting next week I will be holding a parents coffee morning.

This will be held in 'Rockets' house from 9am. Each week we will do a different activity, (idea's welcome).

Come along, meet new people and have some fun

Looking forward to seeing you

Mrs Willetts

**We raised £130.00
(however donations are still available to be made via parentpay.**

This week Year 1 have had an exciting trip to Lincoln Green Mosque. All the staff were incredibly proud of all the children who demonstrated first class behaviour and showed respect for the Islamic faith. During the day we observed the call to prayer and some of the children showed great delight in joining in. They learnt lots of facts about visiting a Mosque and the daily rituals of prayer. We dressed up, looked at key Muslim artefacts and even tried washing our hands in preparation to pray.

A great day was had by all the children.
