I hope everyone has been enjoying the weather this week. Spring seems to definitely have sprung and it really does put smiles on people's faces which has been wonderful to see around school. We have some wonderful events coming up next week with our Easter Bonnet Parade (EYFS and KS1) on Wednesday afternoon and our Easter Eggs-hibition competition for KS2 on Thursday. Thursday also sees our Year 5s deliver their Easter Assembly to parents at 2:15pm in the hall. It will be amazing to finally welcome parents back into school for this and for the Easter Bonnet Parade on Wednesday afternoon (also at 2:15pm). I hope you all have a wonderful weekend, the weather stays glorious and the mum's get treated well on Sunday!

Message from Captivating Creatures

We hope you enjoyed our visit today your children were brilliant well behaved and engaged throughout and are a credit to you and your school. Kind Regards,
Michelle&Lee,

This week year 4 had some very special visitors as part of our topic 'On the Savannah!' Captivating Creatures joined us to share some amazing creatures! Including a tarantula, two snakes, a tortoise, a really adorable gecko and a super fluffy chinchilla. Here are some amazing pictures of the year 4's having an amazing day.

Message from Nursery

In our 'In the Garden' topic we have been learning about life cycles of chicks and caterpillars. We have also looked at farm animals and their Mummies, this has linked well with our Mother's Day preparations.

We would like to wish all the Mummies and special grown ups out there, a very happy Mother's day, you are amazing!

Parents/carers are only permitted to drive and park on the school grounds if you hold a blue badge. Its becoming a great concern that people are driving into school, especially at the beginning and end of the day, when children are walking around the site.

If you would like your child to take part, you will need to make or decorate an Easter bonnet or hat to bring into school on Wednesday 30th March .

Years 3-6: We invite you to take part in creating a decorated egg for our splendid 'Easter Eggshibition'. A child from each year will be chosen as winners for the most 'eggcellent' and 'eggstraordinary' egg. The theme is 'Heroes and Villains'. Ideas will be shared with children next week in assembly and can also be found on Google Classroom. The eggs can be made using real eggs, foam eggs or plastic eggs.
