I hope everyone had a wonderful bank holiday weekend. I cannot believe we are at this time again - Sats week is upon us! I would like to take this opportunity to wish all pupils in year 6 the very best of luck. The whole year group has worked extremely hard to ensure they are ready for this important week. As always can I express my sincere gratitude to the whole year 6 staff team for the continued dedication to our young people.

Wow what an amazing achievement last week with or LUFC penalty shoot out organised by Mr Wingfield. This event was a roaring success - many thanks to everyone in raising a hugely impressive sum!

Just a reminder as the warm weather approaches us to ensure your child comes to school with sun cream already applied.

Have a wonderful weekend.

This week at Bramley

Year 3 have been learning about what life was like in Victorian Bradford and Saltaire and how times have changed today.

This week Nursery have travelled into space using the wonderful technology in the Resource Provision. We've used the book, Whatever Next to increase our understanding of how things work. We've made straw rockets to investigate the power of our own 'wind' and roleplayed using boxes, wellies, colanders. There is no stopping our learning in Nursery... To infinity and beyond!

Happy Eid

To our families and staff who celebrated this week....
