SATs week greeted us this week for the first time in 3 years. We were all so incredibly proud with how the children conducted themselves throughout the entire week. Their levels of effort, concentration and focus was nothing short of outstanding and truly deserves to be acknowledged. I know they all enjoyed a McDonalds lunch and a more relaxed day on Friday which was thoroughly deserved. Also, I'd like to extend my sincerest thanks to the whole team here at BPA whether involved directly in SATs or supporting in other areas of school. Your support was invaluable and greatly appreciated. We hope Year 6 and the staff team here at BPA have a wonderful and relaxing weekend. Great job everyone - very well done!

We are beyond proud of our children in Year 6, who this week have had their SATs. Each and every one of them have approached each paper with the same positive and mature attitude. WELL DONE to all of you - you have done yourselves proud. We want to extend our thank you to the parents for supporting their children through this time in their educational journeys.

Message from Nova's mum

Hi my name is Heather and I am fundraising for my amazing son Nova. In 2020 at 2 years old he was diagnosed with a rare brain cancer, he underwent a 10 hour brain surgery to de bulk the tumour. After surgery he had to learn all basic needs again from eating to waking and not long after he started an intense inpatient chemotherapy regime. We spent lots of hard nights together in isolation with only each other as company. After a gruelling 18 months of chemotherapy with many brutal and devastating side effects, he was offered radiotherapy. Nova underwent 6 weeks of radiotherapy, where every single day he was put under general anaesthetic to receive his treatment. All through out Nova has been a true superhero but unfortunately the treatments have run out and we are left with no other options than to accept Nova now has terminal cancer with only months to live. He is the most loveable and caring 4 year old boy that you could ever meet and he has been through so much in his short life that I want to make his last months the most amazing and enjoyable time I can for him. Please donate to help me give my son the last happy memories he deserves. Thank you.

Friday 20th May

Donate what you can and come to school dressed as your favourite superhero or dinosaur. All money raised will go to Nova's gofund me page.
