

"The difference between ordinary and extraordinary is that little extra" Jimmy Johnson

Action Plan Summer 2022 - 2023

Why?

Our core curriculum offer will evolve to meet the needs of our pupil cohort, staff team and community. BPA will be at the heart of community and beyond as a hub of excellence, in terms of ASC and PE provision.

How?

By securing:

A highly effective phonics intent, which is implemented by highly effective and skilled staff to ensure maximum impact and acceleration of progress.

By strengthening:

Our core offer of literacy to ensure progress is further accelerated through tailored interventions and 1:2:1 support. Inclusive of the targeting of key vulnerable groups

By enhancing

A curriculum offer which meets the needs of our ever evolving school, so that our class organisations fully meets the needs of our pupils

By enhancing

A culture of well-being, support and coaching to enhance our ever evolving staff team and community. To further embrace our community to tackle social change and further enhance tolerance for all

By securing

BPA as a beacon of physical education within the community and beyond. To stand apart within the locality as a provider of excellent PE provision

By enhancing:

a first class RP which is rooted in highly qualified and skilled staff as the demographics of our school evolves. The RP is a beacon within our community and beyond

By developing:

An environment which is a rich oasis of colour and foliage. Sustainable energies are promoted and developed to reduce our carbon footprint and further secure our financial position

What?

To develop and enhance phonics curriculum which fully meets the needs of our community. Skills are embedded and applied through all aspects of the curriculum

To strengthen the teaching of key skills in literacy and recovery through dedicated tutoring programs of key vulnerable pupils

To enhance our curriculum core offer, so that the application of skills is fully applied. Our whole school offer meets the creative needs and knowledge requirements of our school organisation

To enhance our EYFS core offer, so that the application of skills is fully applied. Our whole school offer meets the creative needs and knowledge requirements of our school organisation

To enhance our PE offer to encompass wider community involvement, BPA as a hub of excellence and interaction with wider city involvement and impact as a shining beacon of practice.

To further enhance staff skill set to raise further confidence in our ever developing demographic. Staff will demonstrate excellence in practice which can be modelled in the community, WAT and beyond

The school will a sustainable environment with solar panels and wind turbines. The environment will be developed via Communicolour and planting to be a true oasis wonderland.
