

As we come to the end of what has been one of the most busy, but productive and successful terms I've ever experienced, I'd like to extend my sincere thanks to every member of the school community for their unwavering support, efforts and hard work - it is always greatly appreciated and never undervalued. This half term alone we have had so many wonderful things to be proud of: During the second week, we had Ofsted visit us. We are still awaiting the report to go live but are very excited to share this with everyone in our community once it does. We've had Science week, trips out to Pizza Express, our God Award Trip to Monster Kidz, sporting activities at Leeds West, Year 6 Mock SATs week, the Year 5 Easter Assembly, Easter bonnet parades and eggshibitions - the list is endless and I can't quite believe just how much we have squeezed into this half term. With that said however, it has all been very worthwhile.

I'd like to wish everyone a thoroughly deserved and enjoyable Easter break and we look forward to welcoming you all back for the Summer term on Monday 17th April 2023.

Andrew Stephenson
Site Operative

Hi, My name is Andrew Stephenson . I am the Site Operative based at Bramley Park Academy and I also work at Elements Primary School. It is my job to make sure that the school is well maintained, and remedy any reactive work/problems that can occur on a daily basis. I make sure that the school is safe and operational for the staff and pupils to attend, liaise with outside contractors to carry out work, complete weekly and monthly compliance checks, and make improvements to the whole school in the holidays (which is my favourite part). I've met lots of people in my time here at B.P.A, but if I've not had the chance to meet you yet, then I hope to do so soon. Please come say "Hi" anytime.

Herd Farm

As the year 6 residential to Herd Farm is fast approaching please make sure your child's balance is fully paid off to enable them to attend.

Year 6 parents and their children are invited to attend a SATs meeting on Tuesday 18th April at 3pm in the school hall.

Clubs- Summer Term

Just a reminder Clubs for next term are available to book via the Arbor App. Please refer to the leaflet that has been previously sent to you via email.
