

What an amazing couple of weeks we have had at BPA. Last week we welcomed HMJ and Ofsted Inspectors to our school to observe our brilliant practice.

The whole staff team and our phenomenal pupils showed the visitors just what incredible and remarkable things we do here at BPA. Many thanks to all of our community, parents/carers who shared all of your positive messages with the team. Mr Wingfield and myself are overjoyed with the result. We will be able to share this with you in the very near future once the report has been finalised and released to us.

I wanted to take this opportunity to thank each and every single member of our school community for the amazing support you have given me over the past four years in nurturing, and moulding BPA into the amazing school it is today. We have certainly grown this school and its team into something really incredible, a place we should all be immensely proud of.

HEADLICE!

HEADLICE IN SCHOOL -

We have become aware that there has been more than one case of headlice in school. We do appreciate that many parents will have followed advice we have given previously but unfortunately head lice are an on-going problem and prevention and/or treatment is something which we rely on parents continuing to do on a regular basis. If headlice are found and you need any help in obtaining or administering treatment the School Nursing Service at Bramley Clinic, Tel: 0113 2951550 will be pleased to help.

This week at BPA...

WELL DONE!

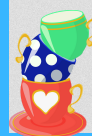

**World Book Day!
2023.**

This week The Hedgehugs had a wonderful trip to Pizza Express. We all had a go at kneading dough and throwing it in the air like a real pizza chef. We then made our own pizzas to take home!
