

## Newsletter 15/05/2023

This week at BPA has seen our Year 6 pupils participate in their end of Key Stage 2 SATS. We couldn't be more proud of all of our pupils. The way they have conducted themselves this week has been truly exceptional and 1 know this is an opinion shared by all of the other staff in school. SATS aren't the be all and end all. They don't measure how incredibly resilient, kind, caring and talented the children are, but these are characteristics that have shone through all year. J'd also like to extend my sincere thanks to the whole staff team at BPA, whether that be supporting with the assessments directly or ensuring the rest of the school has run smoothly. We hope everyone in school has a well deserved and wonderful weekend.

## Parent notices

WELL DONE! We would like to congratulate our Year 6 pupils on all their hard work during this week's assessments. Despite a tricky start to the week with the Reading paper, the children have really given their all to each test. We are really proud in the manner with which they have approached this week.

Thank you to all the parents who have given such positive support to the children, school and staff for the SATs tests. I am sure that you will appreciate how hard everyone has worked, not only to prepare children for the tests but to ensure that children felt confident, relaxed and positive. Thank you to all the adults who have been involved in supporting and preparing the children for this week.

## Year 6, we are very proud of you! Well done!
