

I can't quite believe we are already 2 weeks into the new half term! This week was an exciting week for our Year 5 and 6 pupils who, on Tuesday, had their 'Evacuation Day' hook lesson for their new Topic. A walk to Bramley train station allowed them to experience what it would have been like as an evacuee leaving their safe place and heading into the unknown. Back in school they had the most incredible time building their very own Anderson Shelters - some were far more waterproof than others! The joy and excitement seen on their faces throughout the day was truly amazing to see and has given them such enthusiasm and motivation for their World War 2 Topic.

On a slightly different note, please could I ask that everyone in our school community is parking responsibly around the school grounds. We appreciate it is incredibly difficult at times and the surrounding roads aren't the most accessible.

However, it does make it even more difficult when we have parents parking illegally and irresponsibly. The safety of everyone in our community is paramount and we must all ensure we are actively supporting this. We have been in contact with our Police liaison officer who will be regularly patrolling and reviewing the situation outside school.

Finally, I would like to wish everyone a restful and enjoyable weekend. We look forward to seeing everyone again on Monday morning.
