

Bramley Park Academy

How wonderful it was to see the first signs of snowflakes on our run up to the festive period this week. Snowfall is a wonderful time for pupils and staff alike, however I do need to stress the importance of full attendance on days of poor weather. Closing a school is of course the last resort for any headteacher, this would only be in extreme weather conditions and therefore all pupils must attempt unless this has been communicated. Please do not worry with regards to clothing- we have facilities in school to ensure we can dry and/or provide alternative garments.

On Monday we welcomed visitors from Horizon Trust in Hull to observe and immerse in our wonderful school. It fills us all with great pride to showcase our fantastic provision. Our visitors were thoroughly impressed with all of our pupils, the unconditional positive regard they witnessed, and attention to detail, our creative and inspiring teaching and the inspirational ethos which permeates our buildings. Please take great comfort that your child is being educated within a fantastic team and family.

Have a great weekend.

Miss Green

Adverse Weather

Please can we remind parents that it is a statutory obligation to ensure your child attends school. The school was fully open on Tuesday, therefore your child was expected to attend.

IF you do not have the appropriate footwear or clothing please still arrive at school on time and notify a member of staff. We have plenty of spare resources to support your child once in school
