

May I take this opportunity to wish the whole school community a very Merry Christmas. It has been a truly magical time in school, with some very special performances from many of our pupils. The 'Carols around the tree' today certainly ended our festivities in style. All of our pupils experienced a fabulous Christmas dinner, courtesy of our amazing catering team, who (like us) go over and beyond for our pupils every single day. It truly was a family affair with every single member of staff joining in the celebrations.

The 'big man' himself also appeared at school this week – what a heart warming event to see all children experience this and receive a present from Santa Claus. Schools are truly brilliant places at this time of year: Pupils make these moments but they can only be brought to life by an amazing staff team. I am truly blessed to be surrounded by a team– who is absolutely committed to ensuring every single pupil experiences awe and wonder at this time of year.

May I also thank you (as parents/carers) for all of your support – we have raised a tremendous amount at the Christmas Fair, which will go towards paying for an end of year pantomime performance for all pupils – thank you once again.

Please stay safe this Christmas and do not hesitate to contact the office email if you require any support.

Merry Christmas everyone.

Miss Green

Year 3 Ukulele performance

On Tuesday, Year 3s performed a trio of Christmas songs on the ukulele for Nursery and Reception pupils. The Year 3s did a fantastic job and should be very proud of themselves. The Early Years children were a brilliant audience and even joined in the performance for the final song – Jingle Bells!

School parking

Keep the zig-zags clear – no excuses!

School entrances

If you travel to school by car, do not stop (even to drop off or pick up) on “School - Keep - Clear” markings. Park well clear of the school entrance. A stationary car can prevent a driver seeing a child crossing the road. Don't be pressured by bad weather into parking too close to the school - better a wet coat than a visit to the A&E!

Do not park on pavements

Inconsiderate drivers who park their vehicles wholly or partially on the pavement not only cause danger - but also commit an offence of obstruction. They cause danger to pedestrians, especially children and parents with prams and pushchairs. Pavements are not constructed to take the weight of vehicles. The local authority may make a claim against you for the damage caused to the footpath.

Do not obstruct

You only visit the school twice a day, so why ruin the quality of life of residents? Parking across or near driveways obstructs the views of those trying to manoeuvre in and out of them. It is also anti-social behaviour.

The zig-zags are there for a purpose:

To provide a clear area in which children can cross more safely

Please remember

- Don't let very young children out on their own.
- Make sure that they know roads are dangerous.
- Because of their size, children cannot see if the road is clear from behind parked cars.
- Drivers cannot see small children hidden by parked cars.
- When children go to and from school, there is usually a lot of traffic.

Do you stop on the zig-zags?
