

This week has been a truly magical time for all (young and old). On Wednesday, we decorated our impressive Christmas tree as one Bramley family. This can only be described as “a true awe and wonder moment”. The smiles of all of the young people were truly heart-warming along with the beautiful singing, which would bring a tear to any eye. These are the moments, which we hold dearest as professionals- and promote throughout our wonderful school- to ensure every young person experiences the true magic of this wonderful time of year.

However, we fully understand that this time of year can be really tough for some of our families – please do let Mrs Dove know if you need any support as we are always here to help and have access to many great business and support agencies.

Please also take note of the important messages further down regarding illness across both of our sites – it is important to note we must keep washing hands with soap and hot water to kill off these germs. Let’s all work together to keep everyone fit and well for the festive period.

In other news, our Christmas fayre is to be held next week. Please come along to support this amazing event which sees many of our pupils leading their own stalls. We are also welcoming the Christmas pantomime to both sites for all pupils to enjoy,....oh no you don’t!!!

Have a wonderful weekend everyone.

Reminder for those stressing about Christmas

You don't need matching pyjamas to be happy.

Children need presence more than presents.

A Christmas movie night does not need to be on a 70' inch TV.

Colour coordinated decorations means nothing to children.

The number of presents isn't a reflection of you as a parent.

Your kids will grow up and remember the laugh and love.
